Phone: (909) 383-6799 (work)
(951) 232-4268 (cell)

REVISED

STATE ROUTE 38 CLOSURES ONE DAY FOR BRIDGEWORK

San Bernardino County – Caltrans continues the bridge project on State Route 38 at Mill Creek Bridge. For the benefit of the motoring public, most of the project has been completed under very few lane restrictions. In order to erect the new bridge girder at Mill Creek Bridge, the route must be closed in both directions. **The closure date has been changed to Tuesday, January 9, from 8:00 a.m. to 4:00 p.m.** The work is east of Bryant Street in Mentone.

The project will produce a wider bridge, which will accommodate larger eight-foot shoulders, along with newly paved lanes, one in each direction. The normal work hours are Monday through Friday from 6:30 a.m. to 3:00 p.m. with no weekend or night work. The project will be complete in late March 2007.

For more information on state highway work, please go to our website at www.caltrans8.info or call us toll free at (866) 383-4631.

Caltrans is here to get you there!
